

Trajectory-level experimental splits

Tutorial split

48 x 48

Train

Twall-103

Validation

Twall-106

Test / rollout

Twall-100

Cross-condition split

96 x 96 (384 x 384 feasibility only)

Train

Twall-79, 85, 90, 95

Validation

Twall-81

Independent test

Twall-98, 110

Roles are frozen before model training or test inspection; tutorial and cross-condition results answer different questions.
